What We Collect

We receive, collect and store any information you enter on our websites or provide us in any other way. In addition, we collect the internet protocol (IP) address used to connect your computer to the Internet; login; e-mail address; password; computer and connection information and purchase history. We may use software tools to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. We also collect personally identifiable information (including name, email, password, communications).

Why We Collect Your Personal Data
To provide and operate the Services;

1. To provide our Users with ongoing customer assistance and technical support;
2. To be able to contact our Visitors and Users with general or personalized service-related notices and promotional messages;
3. To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;
4. To comply with any applicable laws and regulations.

We may contact you to notify you regarding your account, to troubleshoot problems with your account, to resolve a dispute, to collect fees or monies owed, to poll your opinions through surveys or questionnaires, to send updates about our company, or as otherwise necessary to contact you to enforce our User Agreement, applicable national laws, and any agreement we may have with you.

How We Collect Data
When you use our websites, we collect personal information you give us such as your name, address and email address. Your personal information will be used for the specific reasons stated above only.

When you elect to use single sign-on (SSO) services such as Google, these services will allow the third party to authenticate your identity and provide you the option to share certain personal information with us such as your name and email address. This information will be used, shared, and stored in a manner consistent with this Privacy Notice.

How We Store and Use Your Personal Data
Quickcode.ai is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to promote our services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

Quickcode SaaS (qc.quickcode.ai) is hosted on Amazon Web Services (AWS) and your data is processed and stored in encrypted form on the AWS platform. You can find more information about Amazon Web Services' security here.

Cookies

We and our third-party affiliates, like Google Analytics, may log information using "cookies." Cookies are small data files stored on your hard drive by a website. We may use both session Cookies (which expire once you close your web browser) and persistent Cookies (which stay on your computer until you delete them) to provide you with a more personal and interactive experience on our Site. This type of information is collected to make the site more useful to you and to tailor the experience with us to meet your special interests and needs. You may refuse the use of cookies by selecting the appropriate settings on your browser, including opting out of Google Analytics here.

How We Contact You

We may contact you to notify you regarding your account, to troubleshoot problems with your account, to resolve a dispute, to collect fees or monies owed, to poll your opinions through surveys or questionnaires, to send updates about our company, or as otherwise necessary to contact you to enforce our User Agreement, applicable national laws, and any agreement we may have with you.
